

Appendix 3
Afghanistan National Fruit Tree Certification Scheme
Application to Enter Plants into the Certification Scheme
 Plant material format (Nursery)

To: Afghanistan National Fruit Tree Certification Authority

Name of nursery owner	
Nursery registration number	
Address	
Telephone number	
Kind of planting material	<ul style="list-style-type: none"> <input type="radio"/> Apple <input type="radio"/> Almond <input type="radio"/> Apricot <input type="radio"/> Peach <input type="radio"/> Plum <input type="radio"/> Citrus <input type="radio"/> Cherry <input type="radio"/> Pear <input type="radio"/> Grape <input type="radio"/> Pomegranate <input type="radio"/> Other.....

Full details and a forward growing plan for the plants to be entered into the Scheme should be provided in the form overleaf and attached to this application.

I understand and agree to abide by the conditions and standards of the Afghanistan National Fruit Tree Certification Scheme. In particular, I certify that to the best of my knowledge, none of the land planted or to be planted is infected with any plant diseases. I confirm that I shall take adequate steps to maintain the identity of plants and apply good nursery practices.

Forward Growing Plan

Please: **EITHER** attach a plan showing the details requested at (a) and (b) below to Afghanistan National Fruit Tree Certification Authority -authorized inspector during site visit.

- (a) Provide a nursery map, marking where the different species and varieties/clones of plants will be grown (done in Excel)
- (b) Briefly describe your plan for the whole year (such as when the plants will be planted, when buds will be collected, when rootstocks will be budded, when rootstocks will be cut back to the bud, etc).
